

# Sustainable Rebuilding Ideas

smarter choices for better homes

**Sustainable Rebuilding Ideas** information has been produced to assist people to rebuild homes which were damaged or destroyed in the 2009 Victorian bushfires.

**To make an appointment with a Sustainability advisor or to get copies of the fact sheets contact our Information Line on 1300 363 744 or visit [resourcesmart.vic.gov.au/sustainablerebuildingideas](http://resourcesmart.vic.gov.au/sustainablerebuildingideas)**
